COUNT IT UP!

Count the objects in each picture, then fill in the white box with the number.
**Use the Force (page 1)**

**Are you a Jedi Master, or Padawan?**

Find out by using the force to uncover blue Jedi crystals without disturbing the red Sith crystals.

**Set-Up:** Cut out all of the squares of crystals from this page and mix them up on the table face down. Next, cut out the word squares from page 2 and place one word face-up on top of each crystal.

**Play:** Read one of the words out loud, then recover the crystal that was hidden beneath that card. Score one point for each blue Jedi crystal that you find and lose a point for each red Sith crystal. How many points will you have once all 12 kyber crystals are safe?
**Use the Force** *(page 2)*

**Keep Score:**

TO BB-8 OR NOT TO BB-8: A PERFORMANCE

Gather a group of volunteers and reenact a scene from William Shakespeare’s The Force Doth Awaken (Act II, scene 4, lines 103–121).

Enter Han Solo and Chewbacca.

HAN
O, vision I had never thought to see,
O, sight beyond belief, an ’twere a dream,
O, scene wherein I never thought to play,
O, spectacle that warms a smuggler’s heart—
My ship, my strength, my soul, my ev’rything:
Chewbacca, we are home.

CHEWBACCA.
—Egh, egh, egh, auugh!

[Han and Chewbacca hear a noise. Han lifts the hatch to expose Rey, Finn, and BB-8.

HAN
Where are the others? Where is all thy crew?
And where the pilot who hath flown this ship?

REY
’Tis I: I am the pilot.

HAN
—Thou?

CHEWBACCA.
—Egh, auugh!

REY
My words are true: we only are aboard.

FINN
Thou canst that furry monster understand?

HAN
That furry monster understands thee, too,
So prithee hold thy tongue, or be beshrew’d.
Come up, out of the hold, and tell me quick:
Where didst thou find this ship? How came it thee?

REY
On Niima Outpost.

HAN
—On Jakku? That junkyard?

FINN
My thanks, good fellow. [Aside, to Rey:] ’Tis a junkyard, see?

HAN
[to Chewbacca:] I said we should the Western Reaches check.

CHEWBACCA.
Egh!
