

Reminder

Cutting is intended for grown-ups only!

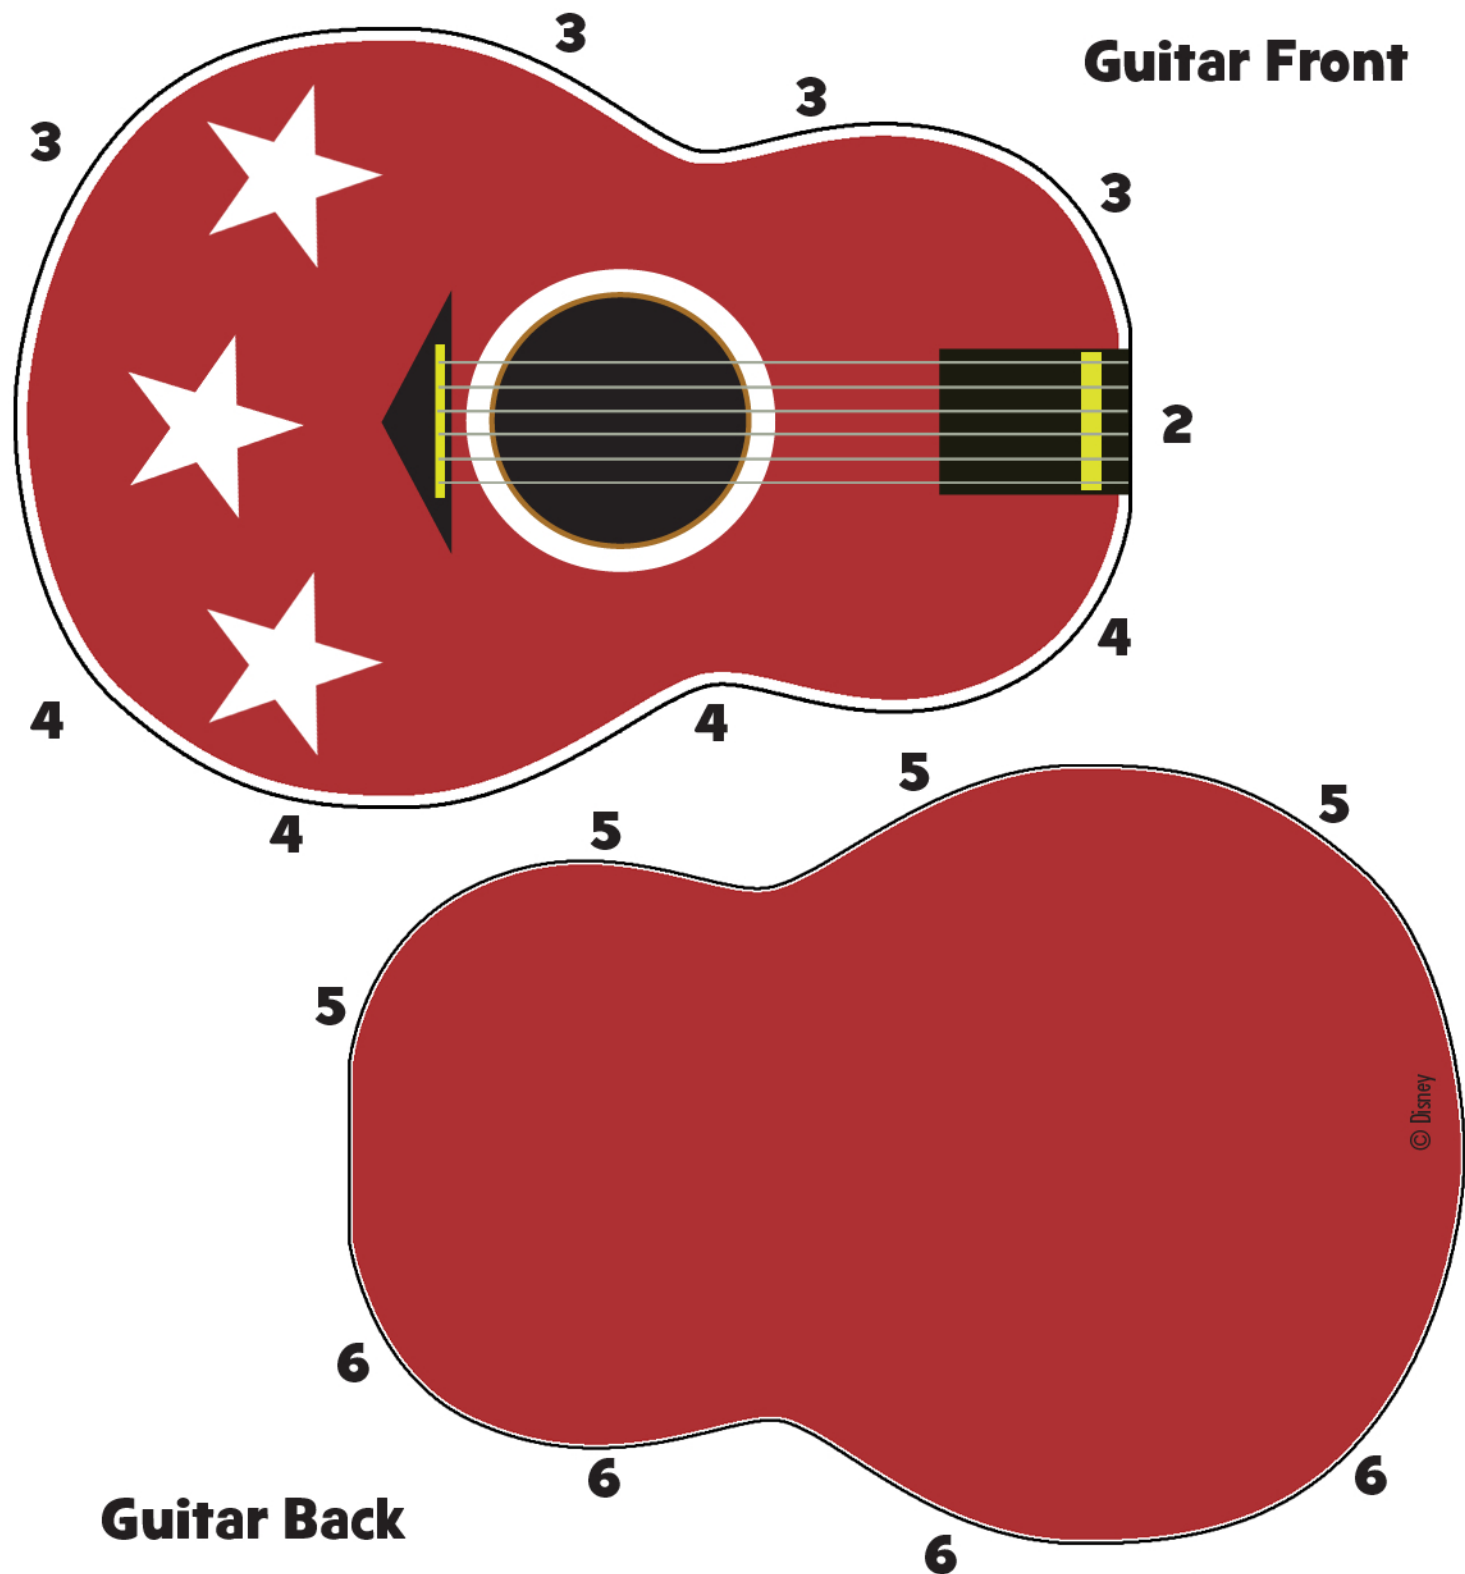

What You'll Need

- 8 1/2" x 11" cardstock (we recommend 110-pound paper for best results)
- Scissors
- Cutting knife
- Glue
- Ruler

How to Make It

1. Print the pages on cardstock.
2. Have a grown-up cut out the pieces.
3. Have a grown-up lightly score along the dashed lines with a cutting knife. Use a ruler to ensure edges are straight.
4. Glue Tab A to the underside of 1 to complete the Guitar Neck. Glue Guitar Neck's B to the underside of Guitar Front's 2, making sure the guitar strings line up.
5. Form the sides of the guitar by gluing all of the C tabs to the underside of 3 starting with the section closest to 2.
6. Do the same on the other side of the guitar by gluing all of the D tabs to the underside of 4 starting with the section closest to 2.
7. Finish the rest of the guitar by gluing all of the E tabs to the underside of 5 and all of the F tabs to the underside of 6.
