

DO'S

- Do get your parent's permission if you are a minor. Each Contestant who is a minor must get permission from a parent or legal guardian before shooting a Video and/or entering the Contest.
- Do protect yours and others' privacy. If you are including names in your Video, say only your first name and please don't mention anyone else's name or other personal information or include them in your Video (including appearing in or contributing to the Video) without first obtaining their written permission (or if they are a minor, the written permission of their parent/guardian).
- Do be original. Feel free to put your own spin on the Star Wars franchise and make sure what you create is original and doesn't contain third party materials protected by copyright or other intellectual property rights.
- Do be careful. Take caution when creating your Video. Make sure not to shoot any violent activities or dangerous stunts that put you and/or others at risk of getting hurt. For your safety and the safety of others, don't try any risky moves.
- Do use music files from the Pack. If you want to use music in your Video, only use materials provided in the Pack on the Website. In addition to the music files included in the pack you may also include any music that you have created yourself (i.e., bass booms that you have created) so long as they are not from a recording by someone else other than yourself (including third party software or a sound device).
- Do read the terms. Please ensure you read the rest of these Official Rules in full. These "Do's and Don'ts" are simply a handy reminder of some of the main things to remember when taking part in the Contest.
- Do focus on the main characters in Rogue One: A Star Wars Story. The Star Wars universe is huge – please focus your Video on Rogue One: A Star Wars Story and the characters that have been revealed including: Jyn Erso, Director Orson Krennic, K-2SO, Galen Erso, Darth Vader, Chirrut Imwe, Saw Gerrera, Captain Cassian Andor and Mon Mothma as well as Stormtroopers.
- Have fun!

DON'TS

- Don't show any brands or logos, famous landmarks, buildings, books, works of art etc. That means no visible/recognizable use anywhere in the Video of brands on clothes, sneakers, in the background, or other things which may be subject to third party intellectual property rights, such as (for example) famous landmarks, buildings or works of art. Please do not include any references to Star Trek®.
- Don't include any names and/or likenesses of any person other than you in the Video without first obtaining written permission (this includes not using images/voices of famous people). You will be responsible for getting written permission from any person included in your Video (or their parent/guardian in the case of minors).
- Don't be rude or use profanity. Avoid bad language, rude gestures and other inappropriate stuff.
- Don't use any music files that are not from the Pack.
- Don't go too long. 2 minutes max!
