Wreck-It Ralph Activity Book

Niceland Puzzle

Cut the puzzle into pieces along the white lines.

Instructions

1. Print all pages of the activity book and cut them out.
2. Place the cover, illustration side down, on a flat working surface. Spread wrinkle-free glue over the entire back of the cover. Now, place pages 1 and 6 (with the illustration side up) directly on top of the glue so that the edges line up. Smooth out any wrinkles.

3. Place pages 2 and 5 (with illustration side down) and cover the back with glue. Place pages 3 and 4 (with illustration side up) directly on top of the glued surface, lining up the edges and smoothing out the wrinkles.

4. After the glue has dried, fold all pages in half. Place pages 3 and 4 inside 1 and 6 to complete your book. Staple the spine of the book to hold it all together.
