25TH ANNIVERSARY EDITION

DIY METALLIC ANTLER JEWELRY HOOK

Supplies:

Decorative Antlers - Metallic Spray Paint - Protective Floor Covering.

Instructions:

1. Pick out your favorite decorative antlers.
2. Go outside to a well ventilated area and protect the ground using newspaper or other protective material.
3. Spray the entire front side of antlers using metallic spray paint.
4. Let dry completely, then turn antlers over and spray the other side.
5. Allow to dry, hang antlers on your wall, and display your favorite jewelry.
