Roan and the other Jedi Academy students got into a huge food fight!  
Answer the questions below about your favorite (and not-so-favorite) foods.

List five disgusting things to put on a pizza for your worst enemy . . .

What's the WEIRDEST thing you've ever eaten?

What's your favorite food? Would you still eat it if it were covered in \_\_\_\_\_?

What would you rather eat: chocolate-covered grasshoppers or cheese-flavored mealworms?

Did you know on some worlds, insects and eyeballs are considered delicious? Which would you rather eat?

What would you rather do: eat an octopus or be eaten by an alien?

What do you think smells better: tauntaun or rancor?

# DRAW AN EWOK

Follow Roan's instructions to draw an Ewok of your own.  
Make him silly or serious, but always furry and fun-sized!

I've always loved drawing Ewoks, and I've always loved flying, so it made sense for me to make a comic called EWOK PILOT. Here, I'll show you how to draw Ewok Pilot.

1) First, draw his face.  
Decide what kind of mood he is in.

2) Draw his "clothes,"  
and add his ears.

3) Then you draw his  
body.

4) Last, you draw  
whatever is  
happening around  
him!
