

Everybody in Never Land wants these fire-red rubies because they keep you warm during a buccaneer blizzard! But you don't have to trek all the way to Fire-Red Ruby Valley to get these hot gems; all you have to do is make this craft!

Reminder

Cutting and scoring are intended for grown-ups only!

What You'll Need

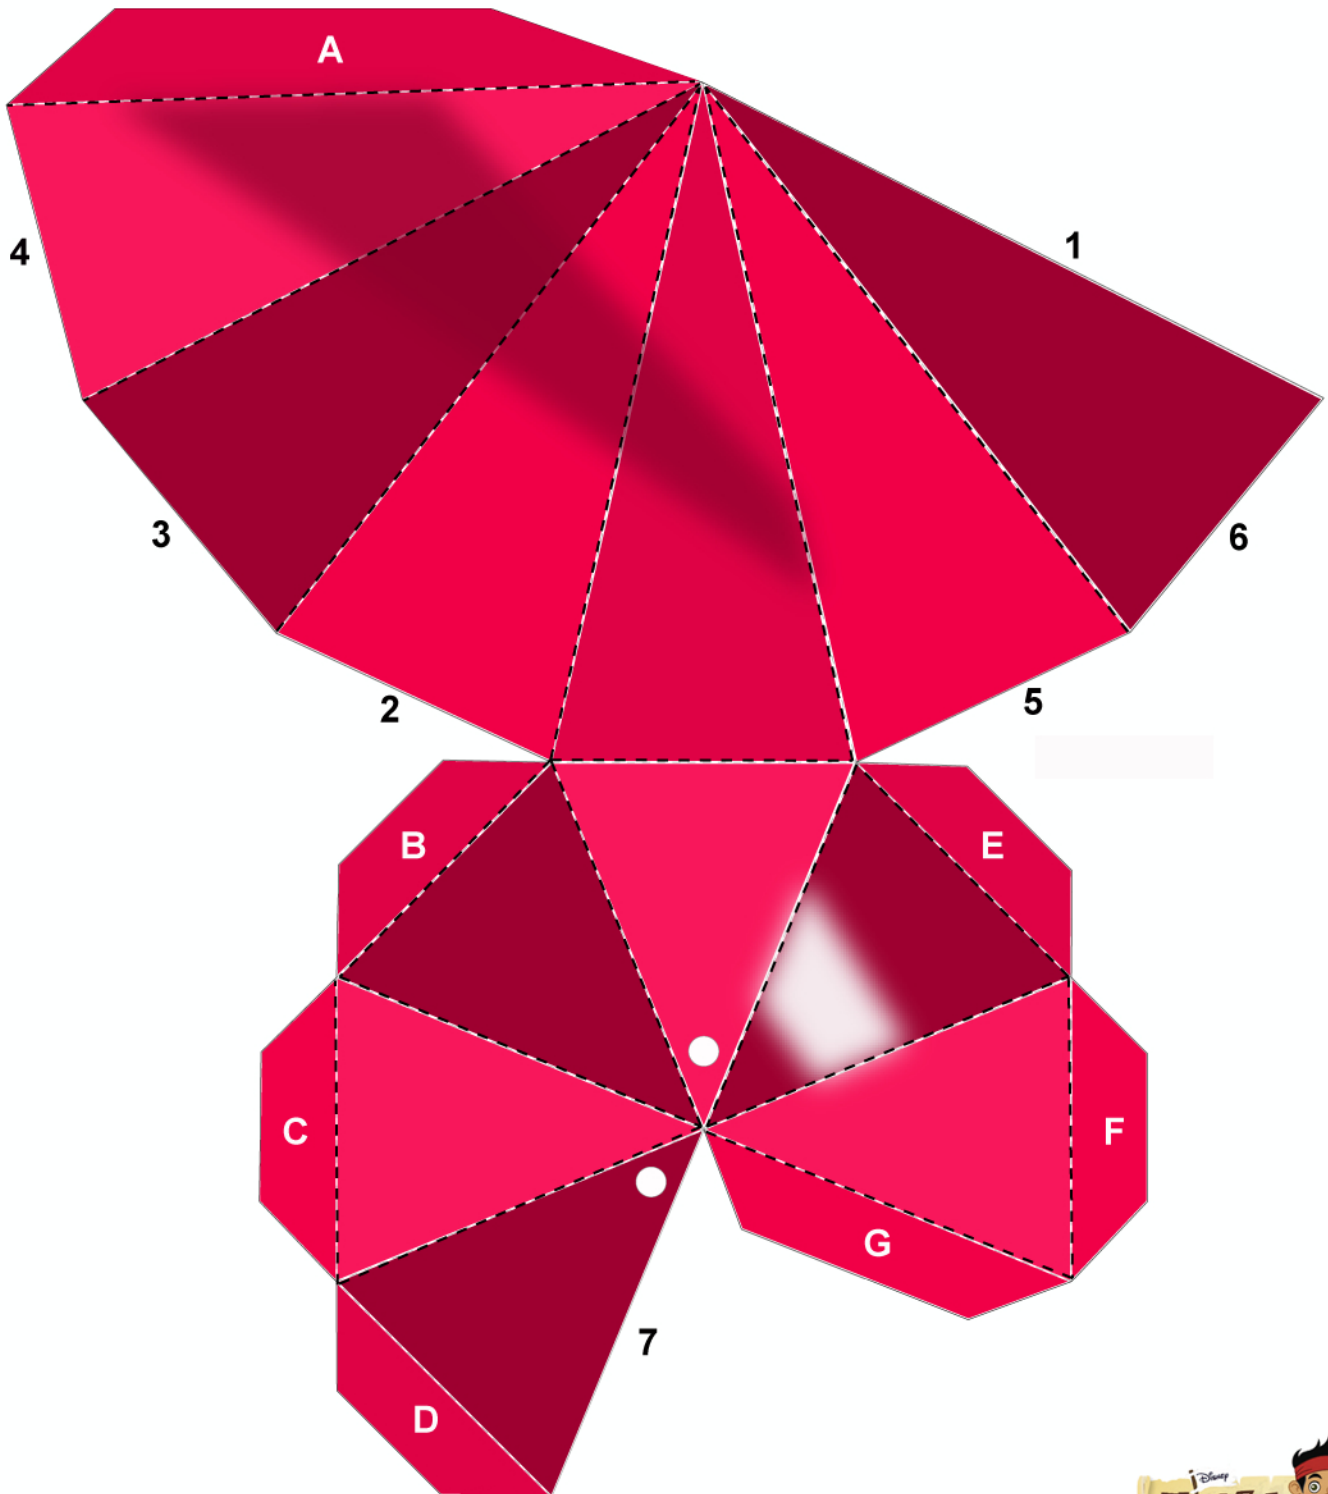

- 8 1/2" x 11" cardstock (we recommend 110-pound paper for best results)
- Scissors
- Cutting knife
- Ruler
- Toothpick
- 8 inches of string (you will need as many strings as you have rubies)
- Glue

How to Make It

1. Print the rubies on cardstock. Print as many as you would like of each one.
2. Have a grown-up cut out the rubies.
3. Have a grown-up lightly score along the dashed lines with a cutting knife. Use a ruler to ensure edges are straight.
4. Use a toothpick to poke out the tiny white holes.
5. Thread a piece of string through both holes and tie a knot at the end.
6. Glue Tab A to the underside of 1, Tab B to the underside of 2, C to 3, D to 4, E to 5, F to 6, and G to 7.
7. Hang the rubies on your tree for warm holiday cheer!
