Instructions

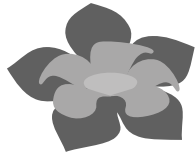

1. Print out all of the flower pieces cut them out.

2. Gently fold each petal towards the center of the flower. Then place a pencil under each petal and curl the petal around it.

3. Place a dab of glue on the white side of the middle of the flower and press it down onto the center of the leaves.

4. Attach the completed flower to a ribbon and your headband is ready to wear! (Make sure to let any glue dry before wearing it.)
