

Goldie & Bear's Party Hats

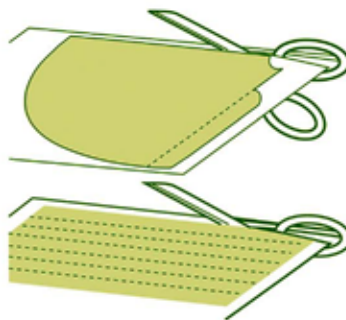

You will need

- 6 x A4 sheets of paper or card
- Safety scissors
- Ribbon or string
- Sellotape
- Glue

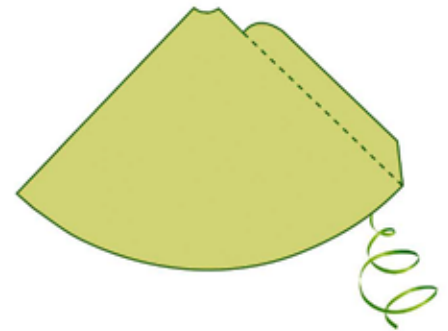

- 1 Print all artwork and set aside to dry. Cut out the outlines of all the shapes.

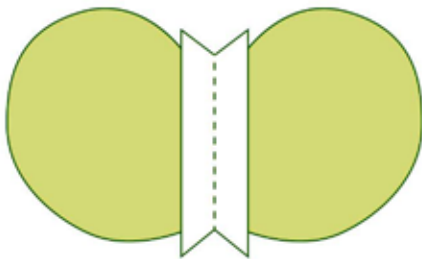

- 2 Glue the two yellow rectangles together so that the yellow sides are facing out. Once completed cut along the solid lines so that you have multiple strips.

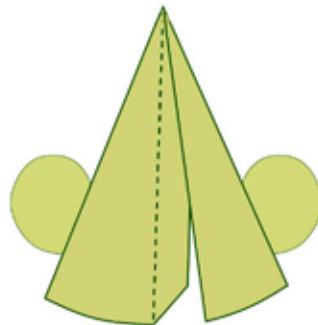

- 3 Wrap these strips around a pencil to make them curly then stick them to the bottom of the hat with sellotape.

- 4 For the bear's ears, fold the tab at the dotted line. Then use glue to stick the tabs down onto the hat where the white dotted lines are.

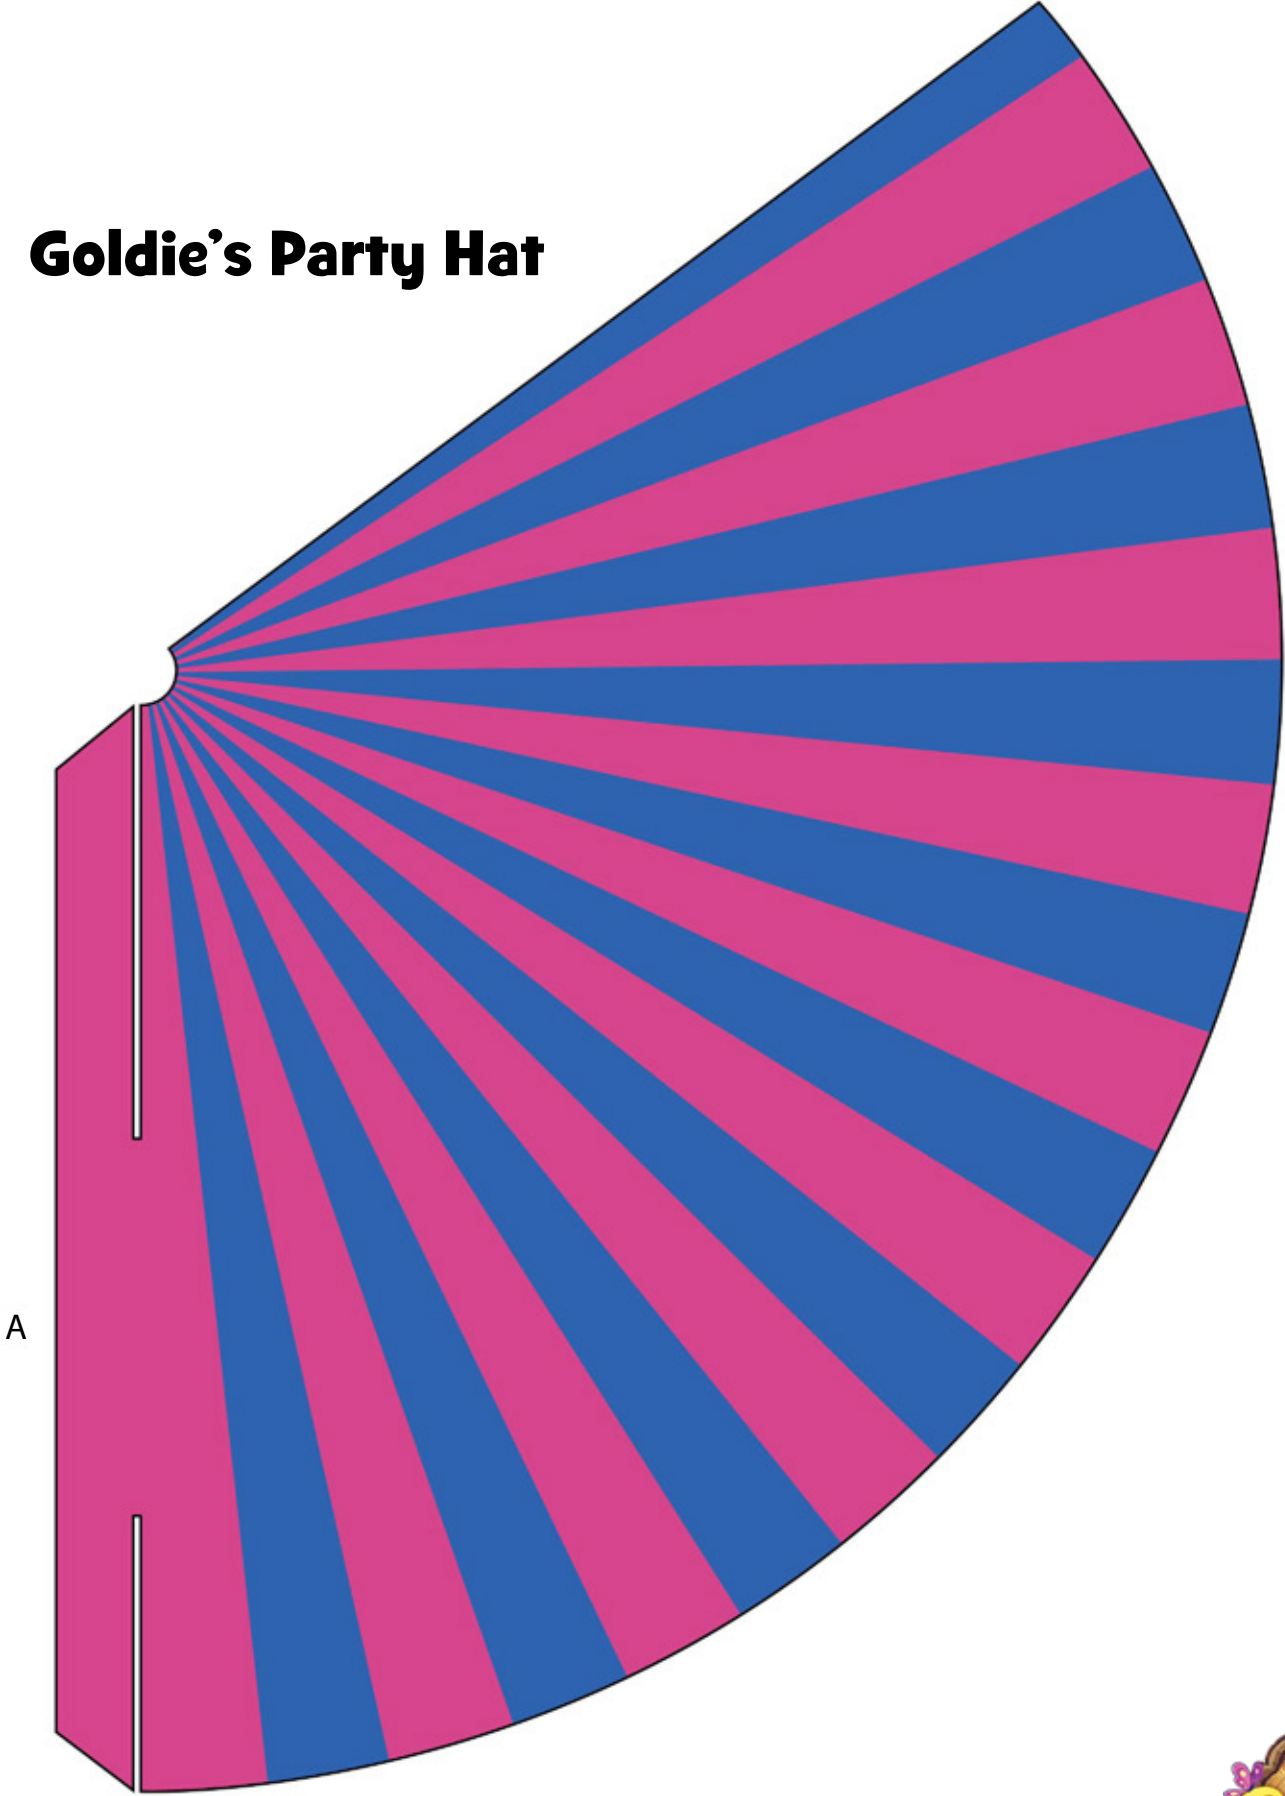

- 5 Fold the large tab of the cone inward on solid line, curving hat into a cone, and glue to inside of hat. Allow to dry.

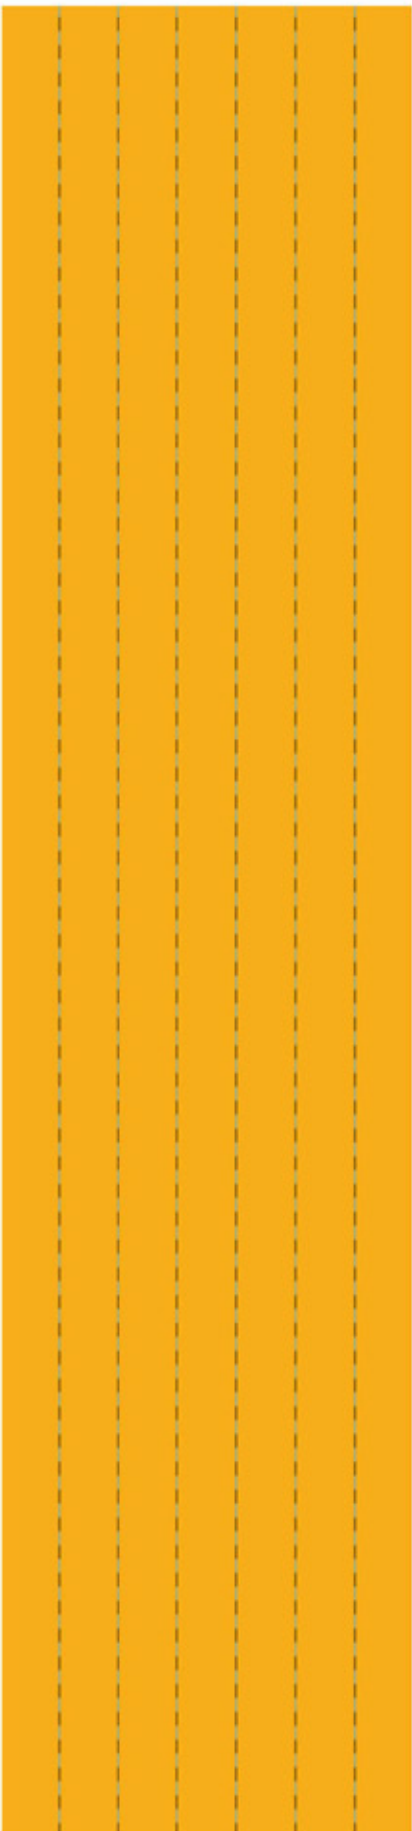

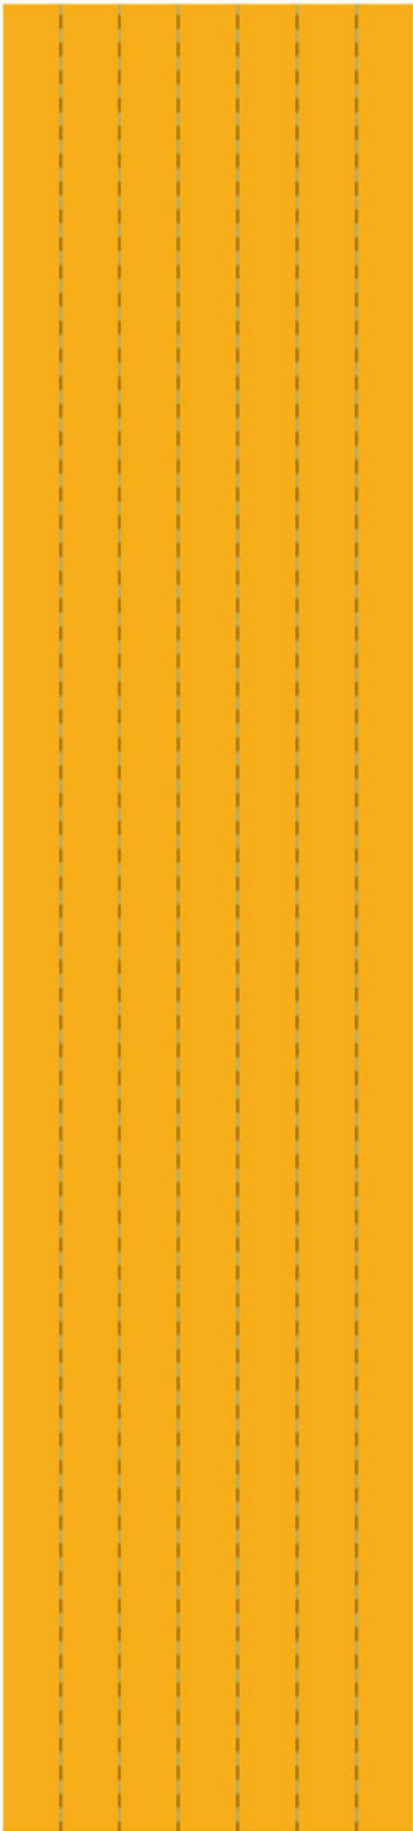

- 6 Using sellotape place ribbon or string on opposite sides of the hat and secure to a child's head by tying the ribbon together.
