Materials:

Piece of material like suede or felt (16-inch x 16-inch or larger)
String or ribbon (10-inch piece for each bag)
White or gold confetti

Instructions:

Cutting is intended for grownups only.

1. Cut a 10-inch piece of string and use this string to tie around your bag.
2. Measure and draw a 16-inch diameter circle on your piece of material. Don't worry if it is not a perfect circle. Cut out the circle.
3. Place confetti in the center of your circle and fold up the ends to form a pouch. Tie the string around your bag.
