CARRIE UNDERWOOD

2018 RDMA HERO AWARD

WE ARE PROUD TO HONOR CARRIE UNDERWOOD WITH THE 2018 RDMA HERO AWARD.

Carrie is a seven-time GRAMMY Award-winning, multi-platinum, country music superstar, and devoted philanthropist. She uses her platform to contribute to causes she feels passionate about, and charity work has always been a priority for her. She and her husband, Mike Fisher, are ardent supporters of Danita's Children, an organization dedicated to providing a nurturing environment for children and families in Haiti.

In addition to supporting countless charities, Carrie founded her own in 2009, entitled C.A.T.S. (Checotah Animal, Town, and School) Foundation, which is a fund that supports various causes in her hometown of Checotah, Oklahoma. It is a privilege to recognize such an inspiring individual who truly embodies the word HERO.

KELLY CLARKSON

2018 RDMA 'ICON' AWARD

WE ARE PROUD TO HONOR
MULTI-GRAMMY AWARD-WINNING,
MULTI-PLATINUM, POP SUPERSTAR
KELLY CLARKSON AS
THE 2018 RDMA ICON.

Since winning the inaugural season of *American Idol* in 2002, Clarkson has undeniably become one of the most iconic recording artists in the industry. She has released eight studio albums, sold over 25 million records worldwide and has had 27 hits on the Billboard Hot 100 chart, including 11 top 10s with 3 of those charting at No.1.

Since her career began, she has had over 20 chart-topping singles on Radio Disney, beginning with her debut single, "A Moment Like This" in 2002, and most recently with her songs "Heat" and "Love So Soft," from her album *Meaning of Life*.

The RDMA 'Icon' Award recognizes an artist whose career has shaped popular culture, transformed the music industry, and whose music is loved by generations of Radio Disney fans.

Kelly Clarkson exemplifies a true Radio Disney icon and we are proud to celebrate her as the recipient of our RDMA 'Icon' Award.

3 THINGS YOU DIDN'T KNOW ABOUT ECHOSMITH

- 1 They're a family band! The members are siblings, dad is their manager, and their mom has even hit the road with them as their tour manager.
- 2 They love playing ping pong and even bring their own table and paddles on tour.
- 3 They love food and they aren't picky when it comes to eating it.

TALKING THE TRACK: "OVER MY HEAD"

"This is a really personal song to us. I feel like it really shows who Echosmith is now and it still feels related to the first album we put out but it is also taking us in a new direction too."

You know you love it.

**MADDIE
POPPE**

3 THINGS YOU DIDN'T KNOW ABOUT MADDIE

- 1** She is your American Idol! She just won everyone's favorite singing competition and her talent doesn't stop there. She can play several instruments including: guitar, ukulele, and keyboard.
- 2** Her ideal day off includes: no makeup, sweat pants, watching television, and napping on the couch.
- 3** Her go-to comfort food is pasta. Speaking of food, she has never had lettuce, watermelon, strawberries, or Starbucks!

TALKING THE TRACK: "GOING GOING GONE"

"Recording the song was nerve-racking because it was actually written by Julia Michaels and she recorded the demo... I didn't know how I would do it justice after hearing her sing it."

HERO FOR CHANGE

**CARLOS
POLANCO**

WHAT MAKES CARLOS A HERO FOR CHANGE:

Carlos Polanco was named the Youth of the Year by the Boys & Girls Clubs of America. He has been a member of the club for six years and continues to lead, succeed, and inspire. Not only does Carlos volunteer his time at soup kitchens and high school open houses, but he is also the first male to volunteer at the Club's early childhood department. He helped found the Clifton Student Union, which is run entirely by students, for students, and provides representation to Clifton's Education Committee.

We are so proud to celebrate Carlos and we can't wait to see what he'll do next!

Age: 19

Hometown: Clifton, New Jersey

Fun Fact: He got to throw the first pitch at a World Series Game!

*What does 98% naturally derived mean? We consider an ingredient to be naturally derived if it's unchanged from its natural state or has undergone processing yet still retains greater than 50% of its molecular structure from its original plant or mineral source. This formula consists of 98% naturally derived ingredients. The remaining ingredients constitute 2% of the formula to ensure its sericinity and preservation.
