

MAD HATTER LAMP

inspired by

Disney
**ALICE
THROUGH THE
LOOKING
GLASS**

MATERIALS:

copper spray paint
half yard of pink satin fabric
socket with cord
40 watt light bulb
metallic cardstock
scissors

sharp razor tool
hot glue gun
small screwdriver
nose pliers

1
Spray paint your hat and once dry, use the hot glue gun to adhere the ribbon around the base of the hat.

2
Disassemble the light socket from cord and disconnect the wires.

3
Make a hole in the center of the hat. Thread the wires through the hole and reattach socket inside the hat.

4
Measure and cut the metallic cardstock to fit in the inside of the hat and glue down.

5
Screw in the bulb, hang your hat.

6
Plug it in and you have light!
