## INGREDIENTS:

sugar cookie dough  
strawberry jam  
round cookie cutter  
small heart-shaped cookie cutter  
flour

1  
Preheat the oven to 325 degrees F. Then, roll out the sugar cookie dough to about one eighth of an inch.

4  
Cut the center out of 8 of the cookies with the heart-shaped cutter.

5  
Spread a teaspoon of jam onto the whole cookies and then place the heart sides on top.

6  
Powder lightly with confectioners sugar and serve.
