

WITCH HAT

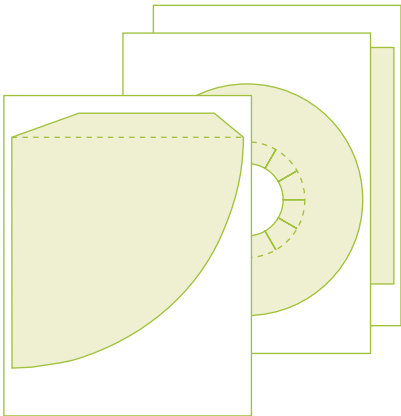

What you will need:

- A4 paper or card
- Scissors - intended for grown-ups use only
- Glue
- Ruler
- Knife - intended for grown-ups use only
- String/ribbon
- Tape

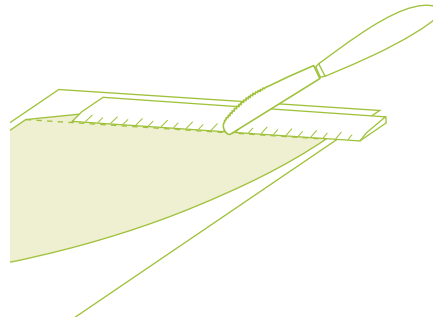

INSTRUCTIONS

NOTE: Project assembly is intended for grown ups only.

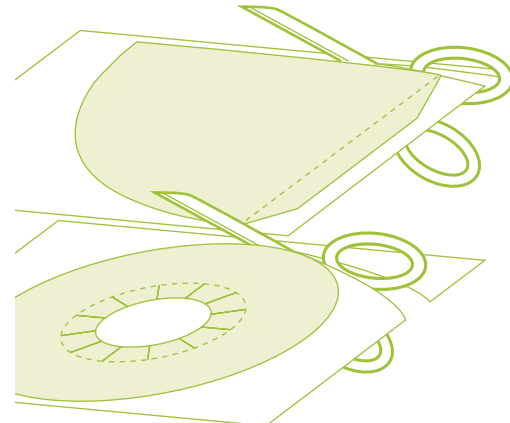

- 1** Print artwork and set aside to dry. Glue together the brim and black square back to back.

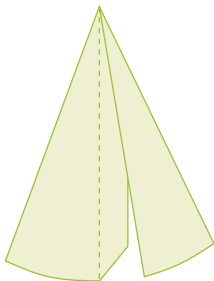

- 2** Score all the pieces: Using a ruler as a guide, run the back of a knife along the edges.

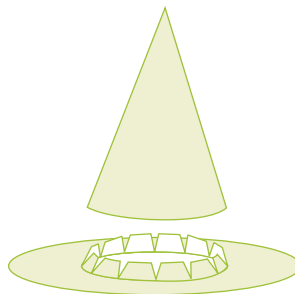

- 3** Cut out pieces along the solid lines. Make sure you cut out the centre of the cone.

- 4** For the top portion of the hat, fold large tab inward on dotted line, curving hat into a cone, and glue to inside of hat. Allow to dry.

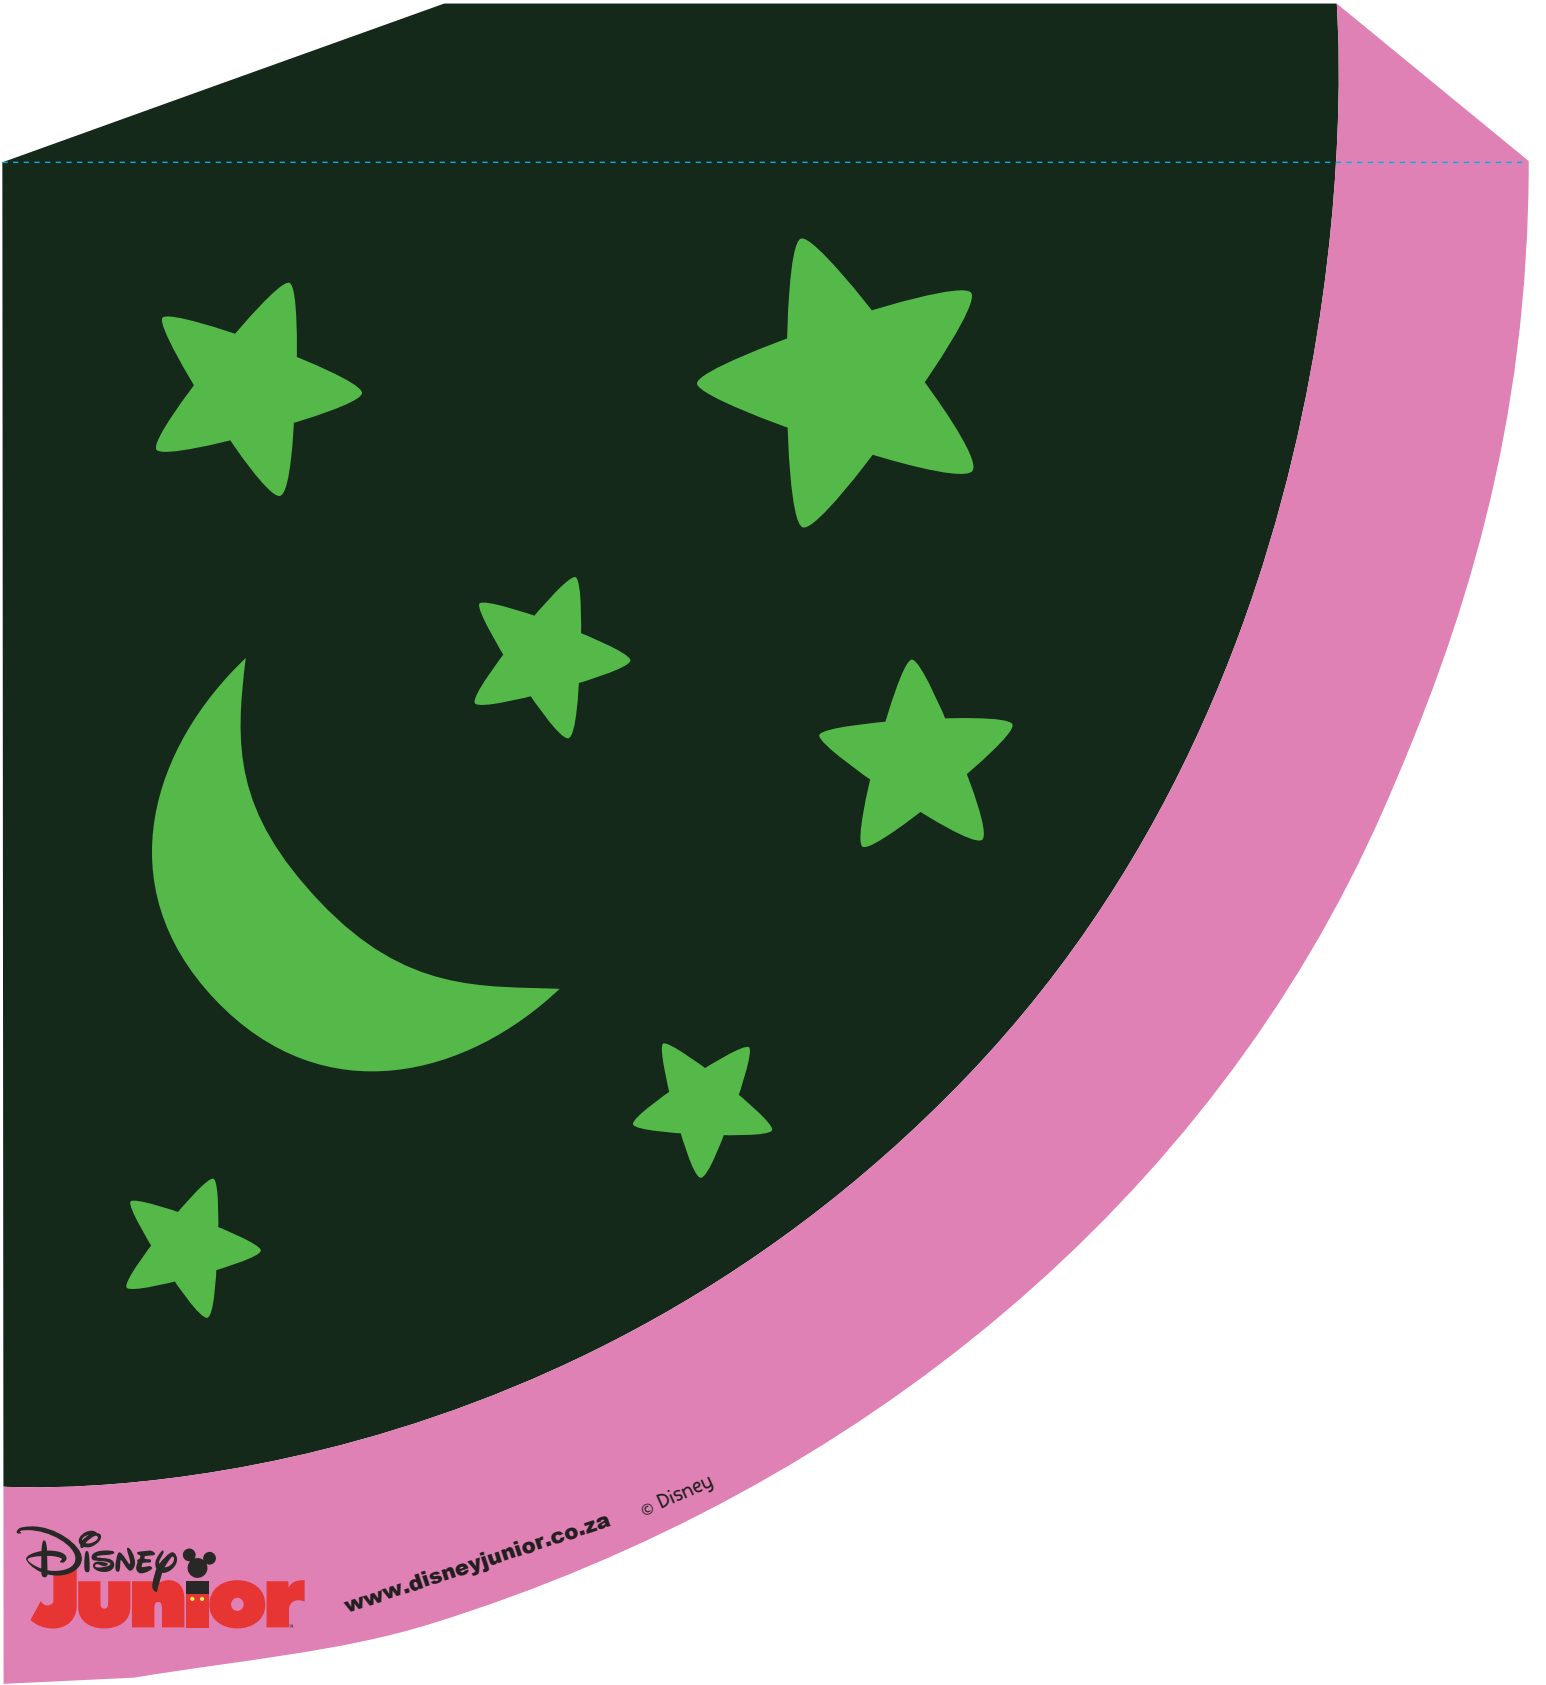

- 5** For the brim, fold all the tabs upward along the dotted circle. Next, glue the tabs to the lower inside of the cone. Allow to dry.

- 6** Attach a piece of ribbon to the inside of the cone, using tape to hold it in place. Do the same on the other side of the cone. Place the cone on the child's head and tie the ribbon under the child's chin.
