

Treasure of the Pirate Mummy's Tomb Playset

In the "Treasure of the Pirate Mummy's Tomb" episode, Jake, Izzy, and Cubby travel to the Never Land Desert to search for an ankh, which will help them dig out Captain Flynn's ship. Re-enact the episode with your child with this playset!

Reminder

Cutting is intended for grown-ups only!

What You'll Need

- 8 1/2" x 11" cardstock (we recommend 110-pound paper for best results)
- Scissors
- Cutting knife
- Ruler
- Glue

How to Make It

1. Print all of the printable pieces on cardstock.
2. Have a grown-up cut out the pieces.
3. Have a grown-up lightly score along the dashed lines with a cutting knife. Use a ruler to ensure edges are straight.
4. To make the ankh, glue Tab A to the underside of 1, Tab B to the underside of 2, C to 3, and D to 4. Finish the rest of the ankh by gluing all of the E tabs to the underside of 5, all of the F tabs to the underside of 6, G to 7, and H to 8.
5. To make the characters, fold Tab J away from you. This helps each character piece stand on its own.
6. To make the background, glue the K tabs on the stands together. Glue Tab L to backside of the background.
