

Spaceship

Draw yourself on the pocket.

Pocket

# Spaceship

Miles and his family live on a spaceship called the Stellosphere. Make and fly your own spaceship!

## Instructions:

You will need colouring pencils or crayons, scissors, a straw, and clear tape.

1. Colour the spaceship and the pocket, then write your name.
2. Draw pictures of your family on the rocket windows.
3. Cut out the spaceship and pocket.\*
4. Tape the pocket to the back of the spaceship, leaving an opening at the bottom. Make sure all edges of the pocket are sealed except for the opening.
5. Insert the straw, blow and watch your spaceship blast off!

\*Please note: cutting is intended for grown-ups only.
