

Fold and Draw!

Play 'Fold and Draw' with your little one and create your very own Hugglemonster.

Instructions

1. Fold the paper into three along the fold lines below.
2. Take it in turns to draw the different parts of your Hugglemonster.
3. Start with the head in the top third of the page, the body in the second and the legs and feet in the third.
4. Make sure you don't show each other your drawings! When finished open up the folded areas and look at the monster you have made together.
