

## Reminder

Cutting and scoring are intended for grown-ups only!

## What You'll Need

- 8 1/2" x 11" cardstock (we recommend 110-pound paper for best results)
- Scissors
- Cutting knife
- Ruler
- Glue

## How to Make It

1. Print the pages on cardstock.
2. Have a grown-up cut out the pieces.
3. Have a grown-up lightly score along the dotted lines with a cutting knife. Use a ruler to ensure edges are straight.
4. To make the log, glue Tab A to the underside of 1, Tab B to the underside of 2, C to 3, D to 4, and E to 5. Repeat the same steps on the other end of the log by gluing Tab F to the underside of 6, Tab G to the underside of 7, H to 8, I to 9, and J to 10.
5. To place Jake, Izzy, and Cubby on the log, fold Tabs K, L, and M away from you and glue Tab K to 11, Tab L to 12, and Tab M to 13.
6. Fold Tab N away from you to make Captain Flynn stand on his own. Place the log (with Jake, Izzy, and Cubby on it) on the river.
