

Monsters Inc. Father's Day
Keychain Charms

Monsters Inc. Father's Day Keychain Charms

You'll need:

Hole punch

Scissors

Printed Keychain Charms

White or clear shrink paper for Inkjet printers (you can purchase this at art/craft supply stores or online)

Instructions:

1. Print out the charms on shrink paper.
2. Cut out your charm(s).
3. Punch a hole where indicated. You must punch the hole before you bake the charm.
4. Follow the baking instructions on the shrink paper package to bake the charms in a toaster oven or conventional oven. Watch the shrink plastic dance and curl! Do not allow children to use the oven.
5. If the charm is still slightly curled when it is finished baking, use a piece of cardboard or a spatula to flatten it completely.
6. Apply a couple coats of clear nail polish to seal the ink on the charm and make it water-resistant. Let it dry.
