

MOTHER'S DAY COUPON BOOK

Reminder

Only a grown-up should use the scissors.

What You'll Need

- 8 1/2" x 11" cardstock (we recommend 110-pound paper for best results)
- Scissors
- One-hole punch
- 16 inches of ribbon in your favorite color
- Colored marker, pencil, or crayon

How To Make It

1. Print out the coupons and have a grown-up cut them out.
2. Place coupons in a stack and punch holes where indicated (the white dots on the left-hand side of the coupons).
3. Thread one end of the ribbon through the hole on the left and the other end through the hole on the right, making sure to thread the ribbons from the underside so that the two ends meet on top.
4. Take both ends of the ribbon and tie a pretty bow. Have a grown-up cut off excess ribbon.
