# RUNAWAY SHUTTLE

ABOARD THE STELOSPPHERE, MILES CHALLENGES HIS SISTER TO A RACE AROUND THE SPACE STATION.

Manuscript: Alessandro Ferrari; Layout and Cleanup: Ciro Cangioli; Ink: Cristina Stella; Color: Massimo Rocca

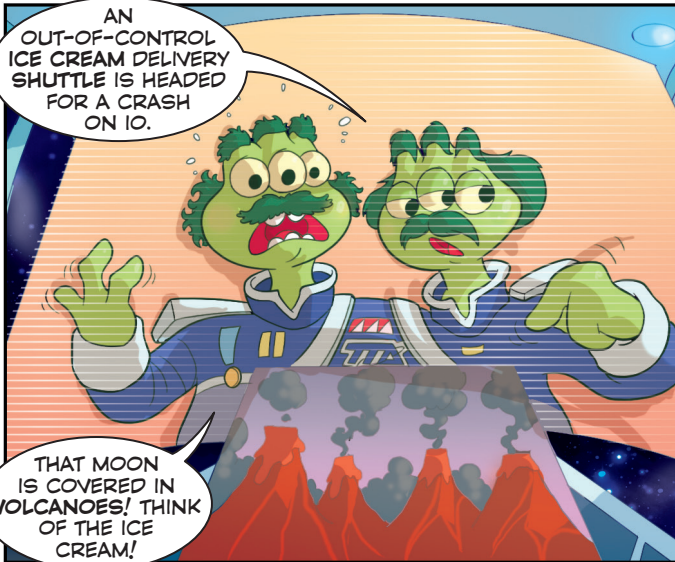

DEFINITELY A NEW SPEED RECORD!

SKREEEE

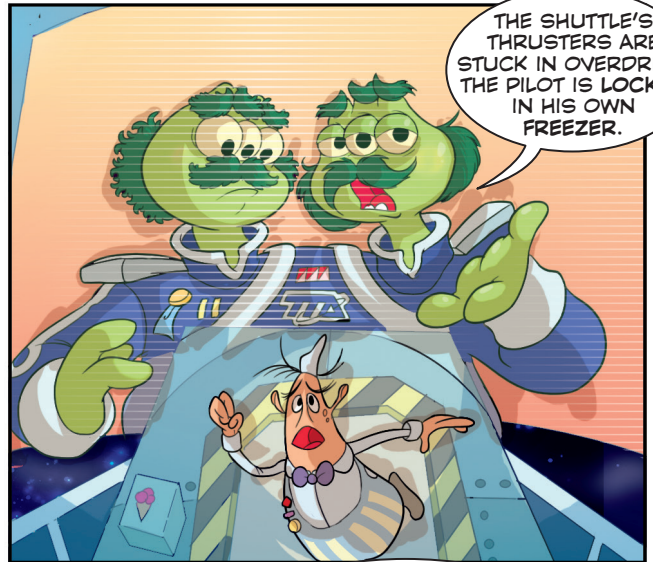

CALLISTO REPORTING FOR DUTY. WHAT CAN WE DO FOR THE TTA TODAY?

CAPTAIN CALLISTO, WE NEED YOUR HELP.

AN OUT-OF-CONTROL ICE CREAM DELIVERY SHUTTLE IS HEADED FOR A CRASH ON IO.

THAT MOON IS COVERED IN VOLCANOES! THINK OF THE ICE CREAM!

THE SHUTTLE'S THRUSTERS ARE STUCK IN OVERDRIVE. THE PILOT IS LOCKED IN HIS OWN FREEZER.

THAT'S LUCKY SINCLAIR! WE MET AT THE ENGINEERING CAMP.

MISSION RECEIVED. WE'LL CATCH THAT SHUTTLE, SAVE THAT PILOT, AND BE BACK HOME IN TIME FOR DINNER!

"ALRIGHT, MILES. YOU HAVE LESS THAN FIVE MINUTES TO STOP THAT SHUTTLE."

MILES, BE CAREFUL.

BACK IN A NANOSECOND, LORETTA.

READY?

BLAST OFF!

MOM, WE'RE INSIDE, AND THE GRAVITY'S OFF!

YOU NEED TO POWER DOWN THE SHUTTLE WITH THE BIG RED LEVER. THAT WILL FREE LUCKY!

GOT IT, MOM!

BUT...

IT'S... TOO... FAR...

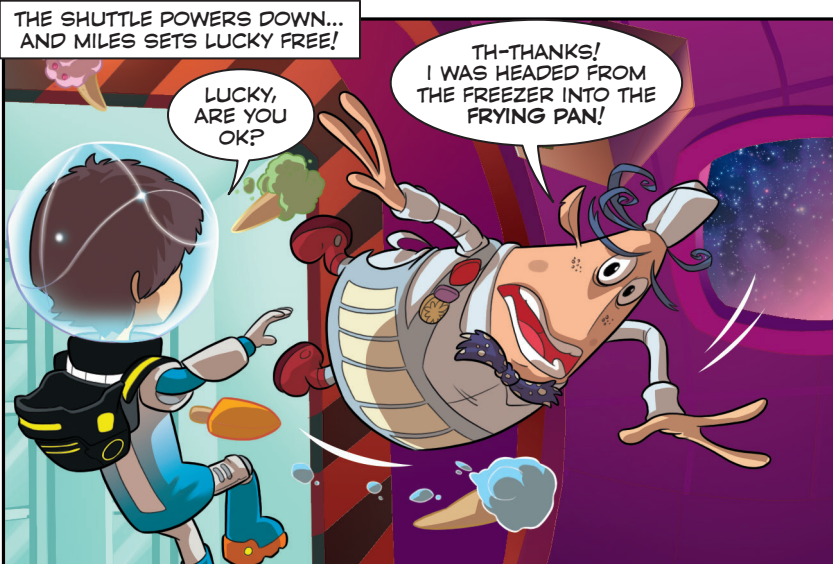

THIS ONE'S ALL YOU, MERC. BEAK TWEAK!

AROOO!

CLACK

THE SHUTTLE POWERS DOWN... AND MILES SETS LUCKY FREE!

LUCKY, ARE YOU OK?

TH-THANKS! I WAS HEADED FROM THE FREEZER INTO THE FRYING PAN!

NOW LET'S GET THESE ROCKETS BACK ON BEFORE WE CRASH INTO IO!

BUT...

BOOM

I CAN'T KEEP THE SHIPS CONNECTED!

TZZAC

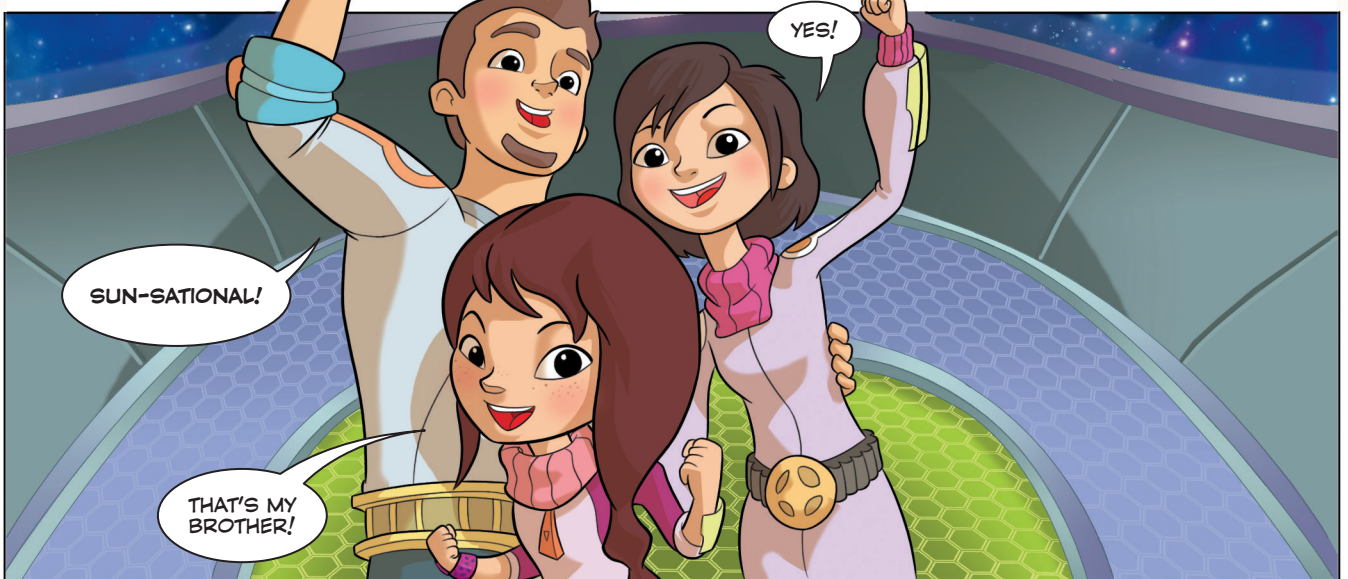

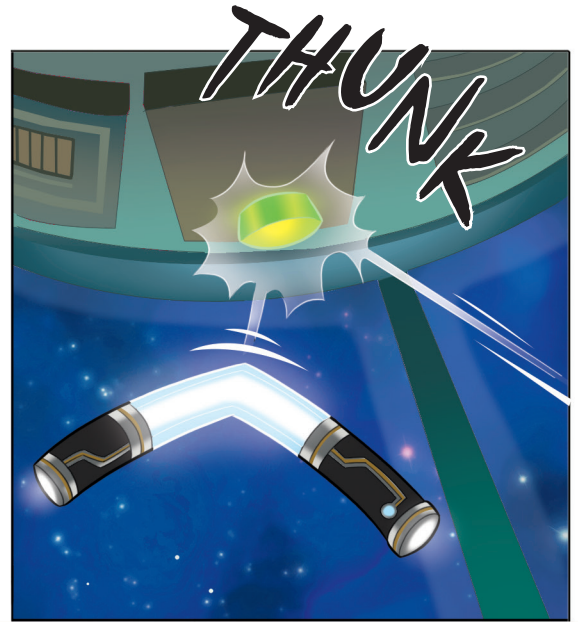

HOOOON

I CAN'T REACH THE RESTART BUTTON! IT'S THE ONLY THING THAT'D KEEP US FROM CRUSHING!

DON'T WORRY, I GOT THIS!

THE MISSION IS COMPLETE!  
NOW MILES AND MERC CAN GO BACK TO RACING...  
UNTIL THE NEXT ADVENTURE!

**THE END**
