That's just Teedo. Wants you for parts.

Hello Beebee-Ate. My name's Rey.

I know all about waiting.

For my family. They will be back, one day.

Jakku planet, Towards Niima Outpost, later.

Poe's droid?!

What's your hurry, thief?

Thief? The jacket! This droid says you stole it. Where'd you get it? It belongs to his master.

Poe didn't make it. I tried to help him...

I'm sorry.

After Finn explains what happened...

So you are with the Resistance?

Beebee-Ate says he's on a secret mission, needs to get back to your base. Yeah, he's carrying a map that leads to Luke Skywalker and everybody is insane about it.

Luke Skywalker? I thought he was just a myth.

Let go of me!

Oh no!

We can't outrun them.

We might in that quad-jumper!

How about that ship? It's closer.

That one's garbage.

The garbage will do!

We gotta move!

We can't outrun them.
Gunner’s position below.

Y’ever fly this thing?
