

# Summer Party Bowling

Hit a strike with this Disney Junior themed bowling game!  
Simple to craft and sure to be a crowd pleaser at your summer party.

## What You'll Need:

- 10 smooth plastic bottles
- A pair of scissors
- Colourful markers
- Glue
- Coloured adhesive tape or Masking tape
- A sponge ball
- Character template printout

## How to Make:

1 Remove the labels from 10 empty plastic bottles and wash off any sticky residue.

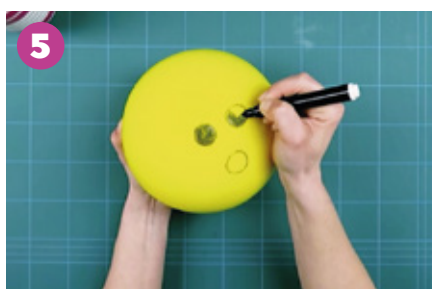

2 Get your coloured adhesive tape and stick a couple of strips around the bottles. Or you can use masking tape and colour it yourself.

3 Print out the template and colour it in.

4 Cut them out and stick a character on each bottle.

5 Now get the sponge ball and use a black marker to draw three round dots on it, just to make it look like the holes on a real bowling ball.

6 Let it dry... And it's done!  
Your bowling game is ready!
