

How to play **BINGO'S BINGO**

Bingo

Rolly

PREPARATION

1. Have a grown up cut out the picture squares below and four BINGO boards on the next page.
2. Put picture squares face down in a pile and mix up.
3. Give each player a BINGO board and begin game play!

GAME PLAY

1. Have one player select one picture square from the pile.
2. Once one picture is chosen, have each player cover that picture on their BINGO board with a token or coin.
3. Players take turns selecting picture squares from the pile and covering them on their board. Game play continues until one player gets BINGO!
4. Shout out "BINGO!" when 5 pictures in a row or diagonal are covered on your BINGO board (examples below). The middle square is a free space.
