

RACE TO THE FINISH

Play the game below with three of your friends! Each player chooses one character and then draws two horizontal lines between any two vertical lines. After every player has drawn two lines, the race begins!

Draw down the vertical line with a pen or pencil. When you come to a horizontal line, draw across the line to the next vertical line. Keep going until you get to the bottom. Write your initials where you land at the bottom of the page to find out the winner!
