

Make Your Own Toque Macaque Monkey Mask

DIRECTIONS:

Print this sheet on a piece of thick paper. Use your favorite coloring material to color your mask. Ask an adult to help you cut out the eye holes. Carefully punch holes on the dotted circles on each side of the toque macaque's face and tie the ends of an elastic string on each hole.

TIP: You may want to reinforce the holes with scotch tape to prevent tearing. Try on your mask and adjust string as necessary.
