# Merida's **BULLSEYE PIZZA**

👉 **ASK AN ADULT FOR HELP**

Nothing's more important to Merida than being able to make her own choices. That's why this pizza recipe is all about targeting the toppings you like best.

*Makes 2*

## **INGREDIENTS:**

16 oz premade pizza dough  
1 Tbsp olive oil  
2 pinches cornmeal  
1 cup pizza sauce  
1½ cups grated mozzarella cheese

### **TOPPINGS:**

Diced ham  
Pepperoni  
Broccoli florets  
Diced bell peppers  
Pineapple chunks  
Sliced black olives

## **DIRECTIONS:**

1. Divide the pizza dough in half and knead each piece into a ball. Place the dough balls in a large bowl and cover with plastic wrap. Let them rest at room temperature for 10 minutes.
2. Heat the oven to 425°F. Lightly oil two baking sheets and sprinkle a pinch or two of cornmeal on top.
3. Working on a flour-dusted surface, roll both dough balls into ¼-inch-thick circles. Carefully place each one on a prepared baking sheet.
4. Spread spoonfuls of pizza sauce on both pizza crusts. Top the sauce with grated mozzarella cheese.
5. Add your choice of toppings. Place one kind—chopped ham or pepperoni slices, for example—in the center. Arrange a second topping in a ring around the first one. Keep adding toppings in this way, creating a colorful bullseye pattern, until you reach the crust.
6. Ask an adult to help you with the oven. Bake the pizzas on different oven racks until the edges and bottoms of the crusts are golden brown (about 15 minutes). Switch the position of the trays after 7 or 8 minutes so that the pizzas will cook evenly.
7. Let the cooked pizzas cool slightly before slicing and serving.

*Tip:* If you use pineapple chunks for a topping, blot them first with a paper towel or clean reusable cloth to absorb the extra juice and keep the crust from getting soggy.

# Belle's ENCHANTING STRAWBERRY ROSES

👉 ASK AN ADULT FOR HELP

A rose began Belle and the Beast's tale.  
Relive the story by making these beautiful edible roses.

*Serves 4*

## INGREDIENTS:

8 large strawberries  
Whipped cream

## DIRECTIONS:

1. Wash the strawberries in cold water and pat them dry with a paper towel.
2. Ask an adult to help you with the knife. Then, slice off the strawberries' leafy tops.
3. Turn one of the strawberries upside down. Create an outer row of 4 rose petals around the tip by slicing three-quarters of the way down through the berry on all 4 sides.
4. To finish the rose, cut a second strawberry in half from top to bottom. Then cut one of the halves into several slices. Tuck 3 or 4 of the slices between the tip and outer petals of the first berry.
5. Repeat with the remaining strawberries. Store any leftover strawberry pieces in the refrigerator to enjoy as a snack later.
6. Put a spoonful of whipped cream into the bottoms of four small bowls. Set the strawberry roses on top, and serve.

*Tip:* A strawberry rose makes the perfect topping for a bowl of yogurt, too.

# Tiana's SOUTHERN SPOON BREAD

## ASK AN ADULT FOR HELP

At her restaurant, Tiana serves unique versions of her favorite dishes. Put your own spin on a side dish with this Spoon Bread recipe. It tastes a lot like cornbread, but it has a delicious gooey texture that's fun to spoon up at mealtime.

*Serves 6-8*

## INGREDIENTS:

2 cups milk  
1 cup water  
1 Tbsp butter  
1 tsp salt

1 cup cornmeal  
2 eggs  
2 Tbsp honey  
2½ tsp baking powder

## DIRECTIONS:

1. Heat the oven to 375°. Butter a 2-quart casserole dish.
2. Ask an adult to help you at the stove. Heat the milk and water in a large heavy saucepan over medium heat. Turn the heat to low as soon as bubbles form against the pan (before the milk boils). Add the butter and salt, and stir until the butter melts.
3. Slowly whisk the cornmeal into the milk. Keep whisking just until the mixture thickens (about 1 minute). Remove the pan from the heat and let the cornmeal cool a bit.
4. Separate the egg yolks and the egg whites into different mixing bowls.
5. Beat the egg whites with a mixer until they are foamy and stiff, and set them aside.
6. Beat together the yolks, honey, and baking powder with a fork or whisk. Then whisk the mixture into the cornmeal. Pour the cornmeal mixture into the bowl of beaten egg whites.
7. Use a rubber spatula to gently fold the egg whites into the cornmeal.
8. Scrape the spoon bread batter into the casserole dish. Ask an adult to help you put the dish in the oven. Bake it until the top turns golden brown and a toothpick inserted in the middle comes out clean (about 25 to 30 minutes). Serve the spoon bread warm, scooping it out of the casserole dish with a big spoon.
